**Explore beyond the galleries.**

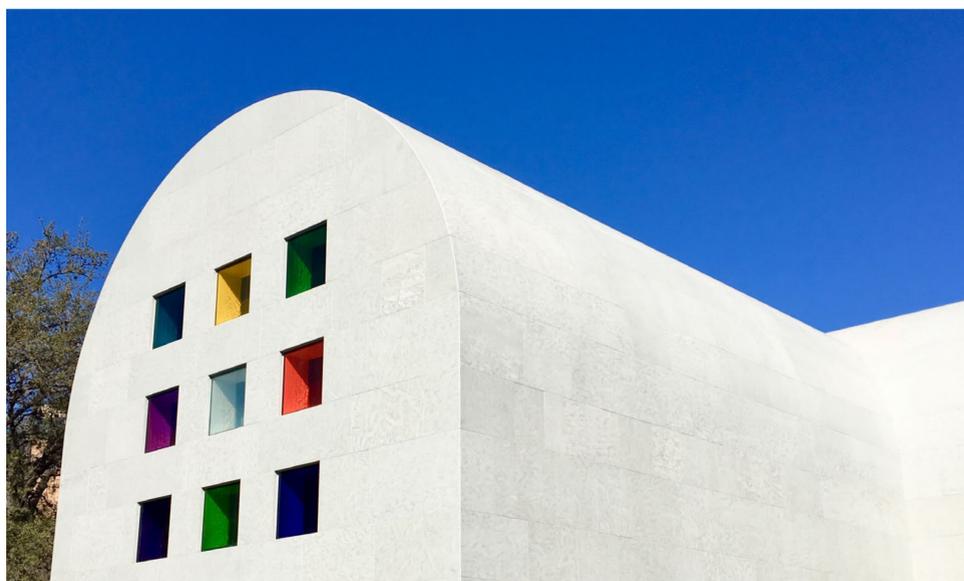

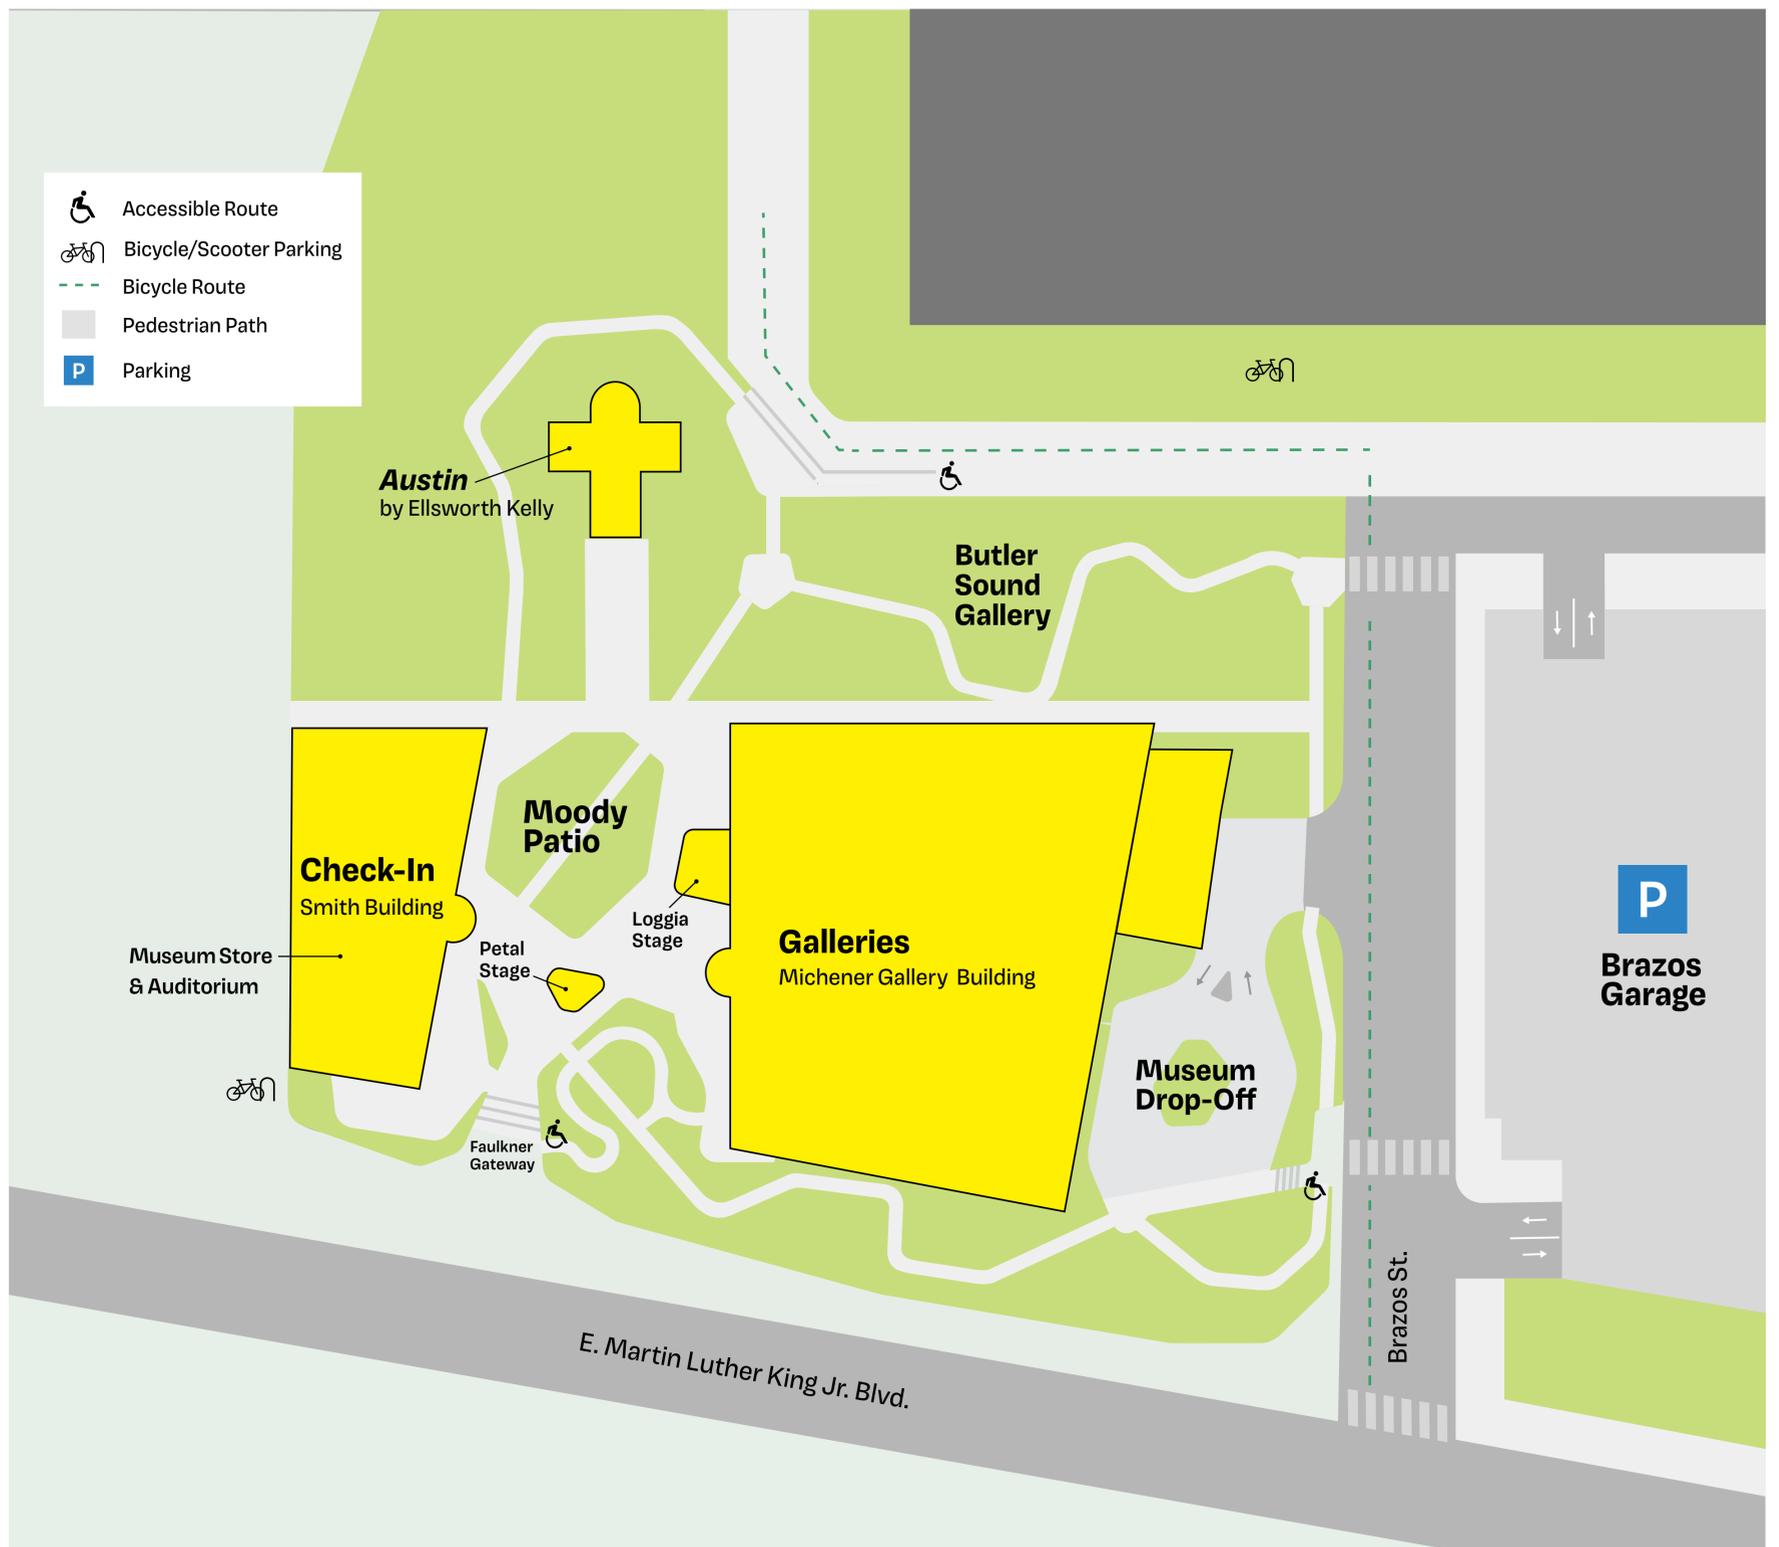

*Verde que te quiero verde (Green How I Desire You Green)*  
by Carmen Herrera

*Plexus No. 44*  
by Gabriel Dawe

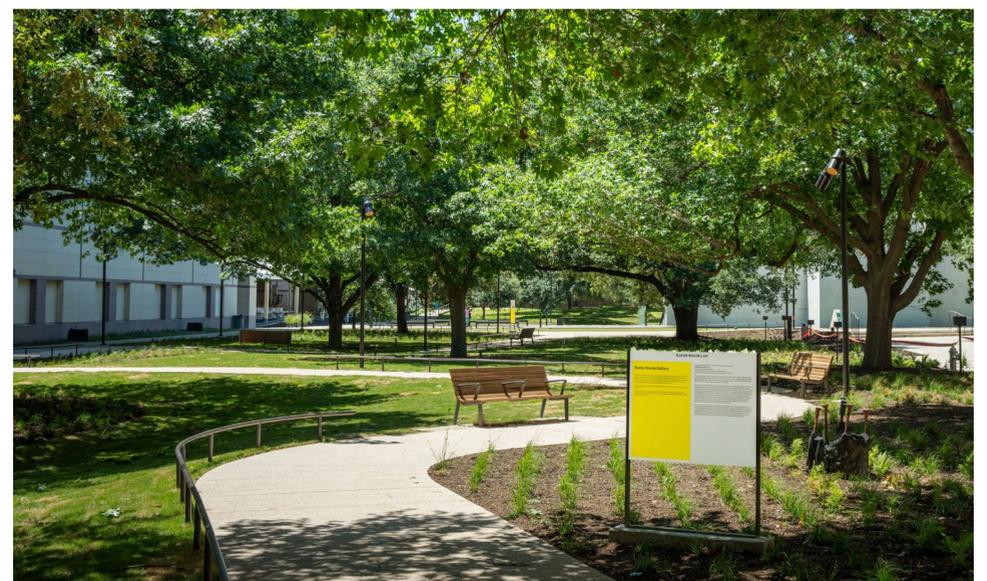

*HI*  
by Kay Rosen

*Austin* by Ellsworth Kelly

The monumental limestone structure is both a work of art and a building. Explore colorful light streaming in from 33 stained-glass windows, a freestanding redwood totem, and 14 marble panels. Scan this code to access bilingual audio guides and transcriptions.

Butler Sound Gallery

Step into our outdoor gallery dedicated to sound art (one of the first in the world!). The inaugural artwork, *Landscape Soundings* by Bill Fontana, is a sonic portrait of Austin and Texas Hill Country. Hear bats, birds, natural springs, and more during museum hours.
